

2004 Fall Level One Class

01/01/2005

Twelve students took part in a NAA Level 1 instructor class conducted by **Mike Koistinen**.

The new instructors included, Phoenix Park Rangers for Papago Park, archery shop owners, new archers, College club leader, JOAD class instructors and a grandpa that would like teach his grand children.

The daylong class focuses is ½ on proper technique and ½ on archery instruction.

The newly certified Level 1 instructors are now well equipped to help teach and encourage new archers in many different ways.

Congratulate them when you see them.

Special thanks to **Straight N Arrow** for providing the classroom/range for the entire Saturday!

"Learned a lot, more than I realized there was to learn."

"It was a lot of what I guessed was true, now I know the facts presented in an organized way."
