

2006 Ben Avery FITA Range Improvements

Feb. 5, 2006 updated

Mel and Julie Nichols and **Brady Ellison** work with donated equipment and crushed rock ground cover from **Kilauea Crushers** to enlarge the range support area.

The two week long effort and the generous donation from **Kilauea Crushers, Arrowhead Materials, owners Marcie and Bill Nichols** will provide space for the Arizona Cup spectators, vendors and staff parking.

Please join the ASAA and the Arizona Cup in thanking the whole family for their volunteer efforts!

Jan. 21, 2006, All we need is striping and we are ready to go! WOW! See the photos towards the bottom.

See work in progress photos below.
