

2010 ASAA Indoor Championships

Jan. 23 - 24, 2010

Ben Avery Indoor Archery Range

Phoenix, Arizona

01/24/2010

Day Two Highlights:

Both Sunday shooting times were conducted as a single line which made for a quicker day than Saturday. There were no equipment failures or other delays. Well prepared archers and equipment, experienced staff and a comfortable spacious BASF indoor range made for an outstanding 2010 Arizona State Indoor Championship!

Awards to be distributed post event. Many directed that a donation be made to the State JOAD Program in lieu of the cost of an awards plaque. The tournament as a whole was an ideal opportunity to inform the archery community of the upcoming events in person.

Thank you archers for taking part and thank you volunteers for helping.

Day One Highlights:

55 took part on the first day of the 2010 ASAA Indoor Championship at the BASF Indoor Archery Range which is an average number of participants. An AM and PM group each shoot a 600 round, six of which shot 2x600. The star of the event was the BASF Indoor Archery range with space for 26 archer to shoot on one line, 52 per shooting session. The range also has ample seating, spacious and is well lit. The range is fully air conditioned and comfortable. The archers return to compete on Sunday for the state indoor championship
