The 2011 Arizona State Adult and JOAD FITA Field Championships were held on October 15 and 16, at Usery Mountain Regional Park's Five Star Field range. Eighteen archers competed in the rugged foothills of the Park. The temperatures reached 100 on Saturday and cooled down to 91 on Sunday. This year's championships marked the first time all three bow divisions were contested on the JOAD or Cadet level. The tournament was hosted for the third year in a row by the Usery Mountain Archers. Usery Mountain Archers wishes to extend a special thanks to the volunteers who helped set up the field, and to those who helped re-mark the field for the second day, and to all the archers that assisted with the tear down. The volunteers, Dennis Mowery, Krick Toth, Robert Campos, Rachel Wissenbach, David Wissenbach, Catherine Belzner, and the Usery Mountain Park's "Tony". Many thanks to all these people for their help!.
