

2014 ARIZONA STATE INDOOR

January 17-19 at the Ben Avery Indoor Shooting Range!

Wow!

112 Archers participated, almost double from the year before. 121 had registered, but the flu going around took its toll. We added new timing monitors! Several records were broken. See the AZ JOAD website for final standings and records. They will be up soon. It has grown so large that we had six, yes six shooting times: Friday Evening, Saturday AM, Saturday PM, Saturday Evening, Sunday AM and Sunday PM. They were long days for the archers and especially the crew and volunteers.

I want thank you, the archers, for coming out and having fun! We are always striving to make the tournament better each year. Wait until you hear what we are planning for next year!

I wish to thank my judging crew:

- Charles Corridori
- Michael Braunstein
- Diana LaBeau
- Terry LaBeau
- Steve Yee

Scoring:

- Janice Price

Technical Guidance:

- Bob Pian

I cannot express how much I appreciate my Desert Sky Families. DSA could not be the club without our kids and their parents. I thank all of you truly!

If you see one of the DSA parents at the next tournament, please thank them. Without them we could not hold these tournaments at the level we do!

Sincerely,

Rick Bachman
Tournament Director
