

Sun Devil Archery "Build a Range in a day". November 19, 2016.

By Kari Granville

**BUILD A RANGE IN A DAY:** So with the AMAZING help of volunteers from the ASU archery team, Paseo Vista Archery, Pineapple Archery, Corner Archery, and Papago Archery... and MORE MORE MORE... we have something resembling an archery field. There are no words to express my gratitude for your time today!

The FITA range is staked out, and 6 of 28 lanes are up (pictures below... they don't do the size of this place justice). Plus, 2 picnic tables, and 4 benches. I know there are some good pictures out there, but we will have to wait for them to get posted by others. Right now, the name "The Devil's Den" leads the votes for what it should be called.

The City of Tempe was out working on removing some trees and "lifting" the tree canopy in other areas. They will continue that work over the next few weeks so that we can finish the FITA range area after the holidays. After that, we hope to get some shade up and some 3-D and/or Field stuff set around the edges. That's a ways off though. Right now, we just wanted to get a shooting space started for ASU and JOADs. Hopefully we can have the range functional and open to all soon.

EXTRA SPECIAL THANKS go out to [Charles Corridori](#), [Alea Becwar](#), [Kevin Ikegami](#), [Ted Harden](#), [Stephanie Miller](#), and [Bob Pian](#) for help above and beyond. And to [Lori Cieslinski](#) for her Lowe's gift card donation (one of the picnic tables has your name on it). I wish I could thank everyone properly, but I didn't even know half the people out there. I am sorry to those who were so gracious with their time that I was not more help... and to those I butt dialed during the day (oops).

Sun Devil Team working on reconditioning donated Target Stands.
