

Desert Mountain High School starts Archery Club Scottsdale, Arizona

01/01/2005

August 26, 2004

Geordie Moore visits with potential archery club members during DMHS club rush.

Desert Mountain High School had their club rush on August 26. Geordie Moore ran a booth featuring archery.

The interest was so great, that his school advisor suggested that Geordie not set up the booth on the second day of club rush.

A total of 93 students signed up for the club in one day, WOW!

In the coming weeks, the club will get organized and start shooting. Geordie will continue to check-in with the Club's progress.

Desert Mountain is a Class 5A school with an enrollment approaching 2,400 students in northeast Scottsdale. [School Link](#)

GO WOLVES!
