## BUILD A RANGE IN A DAY

**Folks... The City of Tempe has generously offered a “long term” loan of a VERY LARGE piece of land to Sun Devil Archery to develop in to an archery range. We get the space, but in exchange, it’s our job to develop location/concept.**

This all happened really REALLY quickly (thank you Tempe Councilman Kolby Granville). It went from, “hey, I’ve got an idea” to “we want it up and going next week” in a matter of 1 meeting and a couple of emails. The City has built us a road in to the location, and they have begin clean up efforts... now we have to quickly build a start-up practice range... and we need your help!

Therefore, **SUN DEVIL ARCHERY** and **USA ARCHERY – ARIZONA** would like to invite you to come out to help BUILD A RANGE IN A DAY. Literally.

We need to measure/mark a practice field, build some picnic tables and benches, build/fix some bow stands, and build an announcement board. PLEASE HELP!!!

Our goal is to eventually turn this in to a full facility for everyone’s use, but for now, we just need to show Tempe that archers are responsible sportsfolk.

**Saturday,  
November 19, 2016**

**10:00 am until ??????  
We think this should  
only take 3-4 hours if  
we have help.**

**BRING YOUR OWN TOOLS/CHAIRS, ETC.  
THERE IS NO WATER OR ELECTRICITY AT THE FIELD**

**For more information or to let us know you are coming, contact Kari at [kijarchery@yahoo.com](mailto:kijarchery@yahoo.com) or (480) 226-4152**
