Match Play

Archers, regardless of age or equipment will then be ranked by overall score.

Archers ranked 1-6 will be in the Copper Flight, archers ranked 7-12 will be in the Turquoise flight and 13-19 in the Quartz Flight and so on based on registration.

Archers will shoot in a round robin format against 5 other archers in their flight.

FITA Set System rules will be used for flights. (See FAQ)

12:00 PM Scoring begins

A trophy for the Copper, Turquoise and Quartz Flight Awards will be given after all round robins are complete each day. Winners list and scores will be posted on the AZ JOAD and 3GArchery.org web sites upon completion of shooting for the day.

Rules and FAQ:

How are the Head to Head rounds seeded and how is it going to run?

- Head to Head's, all archers will be divided into flights of 6 archers each based on the qualifying round score. Your total score in the ranking round will determine your flight that you are assigned to.
- All matches will run simultaneously (AB-CD)
- Set Point System: Athletes receive two set points for winning each set of three arrows. If both athletes score the same in a three-arrow set, they both receive one set point. The first athlete to reach six set points wins the match. If still tied after 5 sets, then one arrow, closest to center, determines the winner of that match. This process is repeated until a winner is determined.
- The top 6 300 scores of the day will be in the Copper flight,
- 2nd 6 archers will be in the Turquoise flight.
- 3rd 6 high scores will be in the Quartz flight
- Additional flights will be based on registration and who wants to compete in round robin shootouts.
- This approach should keep the match play competitive since similar shooters will be matched.
- Round Robin match play will be shot on the Vegas 3 spot face both archers will shoot targets on their own target at the same height.
- Any shoot-offs will be into the number 2 (top triangle) target spot for indoor.
- Winner of each flight will be determined by the most match wins. If tied, there will be a one arrow shoot-off.
